Guest Instructions

We are so excited that you are joining us for A Night to Dream, a Virtual Speakeasy Event! Here are a few things you need to know to enjoy the event to the fullest!

• How to Watch!

We are so excited to bring many of the same elements of A Night to Dream right to you, whether you find yourself gathered safely with a few friends or relaxing on your couch with one of our Speakeasy Party Packages! Rules are that no one gets into the speakeasy without the right key, so here's what you need to know to join our virtual speakeasy and be part of the program as it airs live:

- **PREFERRED Via Zoom:** We want to see your snazzy speakeasy getup! Log in via Zoom on Friday, March 5, at 7:30pm using this link: <https://tinyurl.com/AADspeakeasykey2021>, or check your email for the digital link.
 - Zoom will work best if you already have a Zoom account and have downloaded Zoom to your device, but neither are necessary to tune into our event!
- **YouTube:** You can view the program via YouTube at the following link: <https://youtu.be/KUtdKjGqOVM>. The program video will air live beginning at 7:30pm on Friday, March 5. The YouTube stream will also be visible at NightToDream.org/program
- **Practice makes perfect!** Be sure to navigate to one of these options BEFORE the event so that you can contact us with any issues or questions.
- **If you want to cast the YouTube video to a screen:**
 - Smart TV: On your smart TV, in the YouTube app, search to find the An Achievable Dream channel. You will see a video called "Achievable Dream 2021 A Night to Dream."
 - Connect with a cable: From a laptop, navigate either to the YouTube link provided above, or to NightToDream.org/program. You can connect your laptop to a TV screen or monitor with a cable. (Type of cable may vary based on your specific TV and laptop.)
 - Cast from a mobile device: You can also cast from a mobile device after navigating to the YouTube link referenced above, however, please note that you will also need to bid from your mobile device! The device used to cast the video should be a dedicated device that is not also being used for bidding.
 - **Be sure to still log in with Zoom on another device so you can see and interact with other attendees!**
- Enjoy the show! Oh, and don't forget to keep bidding until 9:15pm!

• Bidding Instructions

- ALL bidding is online. Hopefully you've already been bidding in our auction since it opened on February 26! You can keep bidding through Friday, March 5, until the auction closes at 9:15pm.
- **Only registered event attendees can bid in the auction.** If you have not received a text message with a link to bid please contact us at 757-599-9472.
